Weather Man by Gore Verbinski

Formanda: Olga Ilyina nº21

Data: 10/11/2014

The movie is talking about a man, who has family problems, and he has been abused by his haters. So he receives an offer to work in New York, but he was confused if he needs to take a job, because he will be far away from his “ex-wife” and children. And when he discovers that his ex-wife will marry another man, he accepts the job and finally accepts things as they are.
